REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: The prior art does not teach or suggest the claimed integrated rotary-linear actuator system including, inter alia, an encoder system coupled to the control system for determining the position of the plunger, the encoder system is affixed to a surface of the array of magnets and etched with a pattern of reflective and non-reflective regions that are scanned by optical pickups to register movement of the plunger, wherein the control system controls the amplifier and, in turn, controls energization of each phase of the coils based on the position information from the encoder system so as to effect desired movement of the plunger (claims 1, 11 and 22); or means for determining the position of the plunger, the means for determining the position of the plunger is affixed to a surface of the magnet field and etched with a pattern of reflective and non-reflective regions that are scanned by optical pickups to register movement of the means for supporting a plurality of motors (claim 16); determining the position of the plunger via an encoder system affixed to a surface of the array of magnets and etched with a pattern of reflective and non-reflective regions that are scanned by optical pickups to register movement of the plunger; and controlling energization of each phase of the two sets of coils based on the position information from the encoder system so as to effect desired movement of the plunger (claim 17).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Oath/Declaration

2. Applicant is now required to submit a substitute declaration or oath to correct the following deficiency: The oath incorrectly denotes the filing date of the parent US application S.N. 08/668,705 as 06/24/1999. The correct filing date is 06/24/1996. The substitute oath or declaration must be filed within the THREE MONTH shortened statutory period set for reply in the "Notice of Allowability" (PTO-37). Extensions of time may NOT be obtained under the provisions of 37 CFR 1.136. Failure to timely file the substitute declaration (or oath) will result in **ABANDONMENT** of the application. The transmittal letter accompanying the declaration (or oath) should indicate the date of the "Notice of Allowance" (PTOL-85) and the application number in the upper right hand corner.
